Find best music teacher near me for online music classes on MUSIC MASTER

MUSIC MASTER recruits only tutors with professionally qualifications. All out music teachers are minimum Trinity or equivalent Grade 5 and above qualified. We follow standard syllabus by Trinity School, Rockschool, London and other standard books (Eg. John Thompson's Modern Course for Guitar). This gives a structured framework to our teachers and students to achieve their goals. Our teachers are trained to help students achieve significant learning outcomes.
For those students who are looking for advanced skills, we have tutors, who are recording artists and have played with some of the biggest names in music industry to teach you. So be it for hobby or for serious musicians looking for a career in music, MUSIC MASTER platform for Guitar teachers, We have the best music teachers to get you started with your music journey.

MUSIC MASTER
Global Online Music Learning Platform
anytime, anywhere

musicmaster.in is an online live music learning platform for all age groups. You can learn Guitar,Keyboard, Piano, Carnatic Music, Hindustani Music, Flute, Violin, Drums & Ukulele. The platform currently has 75+ professionally qualified and verified music tutors.

The classes are conducted live one to one on zoom or on our proprietary video platform.We also coach students for Music Grade Exams for Guitar, keyboard, Piano, Drums & Ukulele conducted by Trinity College of Music, London & Rockschool, London.

The music classes are one to one, which gives space for tutor and student to engage and students have significant learning outcomes in a short duration. Whether you are taking your first steps in your musical journey or looking for advanced skills and music grade certifications, with MUSIC MASTER be assured you will not only acquire skills to improve playing ability, but expand your technical proficiency with advanced courses and music theory, all this while learning to play and sing your most favourite songs.
